## ANNUAL PIKE COUNTY SHORTHORN BREEDERS' FALL SHOW & SALE

WALRIDGE FAVORITE 6th. Grand champion bull, 1951 Pike County sale for A. J. Hueffner & Son. The Hueffners sell a half brother, two half sisters, one out of a full sister to Walridge Favorite 6th.

I wish we had Shorthorn associations like the Pike County group in every local area. It is clear proof that neighboring breeders working together in a spirit of friendly competition and holding sales twice a year can get more done to expand the breed. The activity of such an aggressive association not only provides a better market, but spurs everyone in the group to breed better cattle.

The remark has often been made by top cattlemen viewing the Pike County show of sale cattle, that it looked like a class at a state fair. Actually Pike County breeders, the consignors to this sale, stand right up to the top when they choose to exhibit at the International, the Missouri State Fair, or other leading events.

Shorthorn history in Pike County goes back over 80 years of breed leadership. Nowhere is there concentrated in a smaller area more top rated sires. I have observed that buyers in Pike County sales get tremendous quality for their invested dollar. If you want to own breed tops, and have to watch the dollars you invest carefully, I can think of no better place to go.

DON LONGLEY, Sale Manager

WAYMORE SECRET E. This beautiful Charles Harness & Son heifer was purchased in the 1954 Fall Pike County sale by Leonard Wade, Fulton, Missouri, for \$425. Where can you get more quality for your invested dollar? The Harness' sell four bulls, four females and two club calves in this sale.

## A New Special Feature

### 9 TOP QUALITY SHORTHORN STEER CALVES SELL

As a new feature of the Pike County sale, this fall, a club calf sale has been instituted. The consignors of the calves are all leading breeders and members of the Association. The calves have been selected as particularly suitable for the hard work club boys and girls spend on their calves. We want to help and make a few more top Shorthorn steer calves easily available to these youngsters.

The consignors to the club calf sale are Dr. J. P. Murphy, Clarksville, (two); Frank Patton, Paynesville, (two); Fairmead Farms, Bowling Green, (one); Charles Harness & Son, Corso, (two); Jess Smithers, Pittsfield, Ill., (two).

## **FOUR FREE \$50 PURCHASE CERTIFICATES TO BE GIVEN AWAY AT THIS SALE**

As a special promotional project four free \$50 purchase certificates will be given away by the Pike County Shorthorn Breeders' Association at this sale.

Everyone who attends will be asked to register. Just before the sale starts a drawing will be held. Two \$50 purchase certificates will be awarded to boys or girls ... between the ages of ten and twenty-one. Two \$50 purchase certificates will be awarded to an adult.

These certificates are to apply on the purchase of a breeding animal in this sale (not on a steer). They are not transferable and must be used by the winner. They are void if not used in this 1955 Fall Sale.

Consignors, employees, and their families will not be eligible. The consignors selling the animals on which the certificates apply will be reimbursed from the Association treasury.
